The County is not committed, by virtue of this RFP, to award a contract, or to procure or contract for services. The proposals submitted in response to this request become the property of the County. If it is in its best interest to do so, the County reserves the right to:

4.2 Contract Negotiation

Negotiations may be undertaken with those Respondents whose proposals prove them to be qualified, responsible, and capable of fulfilling the requirements of this RFP. The awarded respondent will be required to provide Monroe County with a *Word* version of its final proposal.

4.4 Prime Responsibilities

The selected Respondent will be required to assume responsibility for all services offered in its proposal whether or not provided by them. The selected Respondent will be liable, both individually and severally, for the performance of all obligations under the awarded contract and will not be relieved of non-performance of any of its subcontractors. Further, the County

shall approve all subcontractors and will consider the selected Respondent to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the contract.

4.5 Property Rights

For purposes of this RFP and for the contract, the term “Work” is defined as all data, records, files, information, work products, discs or tapes developed, produced or generated in connection with the services to be provided by the Respondent. The County and the Respondent intend the contract to be a contract for services and each considers the Work and any and all documentation or other products and results of the services to be rendered by the Respondent to be a work made for hire. In submitting a proposal in response to this RFP, the Respondent acknowledges and agrees that the Work (and all rights therein) belongs to and shall be the sole and exclusive property of the County.

The Respondent and the Respondent’s employees shall have no rights in or ownership of the Work and any and all documentation or other products and results of the services or any other property of the County. Any property or Work not specifically included in the Contract as property of the Respondent shall constitute property of the County.

The Respondent’s failure to timely deliver such work or any and all documentation or other products and results of the services will be considered a material breach of the contract. With the prior written approval of the County, this twenty-four (24) hour period may be extended for delivery of certain completed, or partially completed, work or other such information, if such extension is in the best interests of the County.

The Respondent will not make or retain any copies of the Work or any and all documentation or other products and results of the services provided under such Contract without the prior written consent of the County.

4.6 Contract Payment

Actual terms of payment will be the result of agreements reached between Monroe County and the Respondent selected.
